ORDER:

In the reference 1st read above, Government have issued administrative sanction and guidelines for implementing KCR (Ammavodi) Kit (Mother and Baby Kit) strictly in the State of Telangana.

2. In the reference 2nd read above, the Commissioner of Tribal Welfare, Telangana, Hyderabad has stated that, in a move to help the poor, Government of Telangana introduced a scheme "KCR KIT" to the pregnant women, which envisaged taking complete care of women at every stage of pregnancy subject to having two live children. She has requested to relax the norms to make applicable for multi gravida mothers of 4 Particularly Vulnerable Tribal Groups (PvTGs) viz., Kondareddis, Chenchus, Thoti and Kolam as their population is already dwindling due to various socio-economic factors and inborn genetic problems. She has also requested the Government to consider relaxing the norms in case of Particularly Vulnerable Tribal Groups (PvTGs) as a form of Government Support in order to conserve their genepool and thereby culture as a critical mass of population is required for preservation and promotion of their culture and tradition.

3. Further, she has furnished the details as per Samagrakutumba Survey (SKS) 2014 as follows:

S. No.	PvTG Group	Total Population	Women Population	Approx Population in Reproductive age (18-40) years (50%)
1	Chenchu	17,643	8,844	4,422
2	Kolam (Incl. Mannervarlu)	63,010	31,703	15,851
3	Thoti	7,752	3,924	1,962
4	Konda Reddy	1,907	965	482
	Total	90,312	45,436	22,717

4. In the reference 3rd read above, the Commissioner of Health & Family Welfare, Telangana, Hyderabad has stated that the prevalence of multigravda will be less and not more than 5% of PvTG population will be eligible for the scheme. She has also stated that the beneficiaries may be considered case by case and a clearance certificate from Project Officer, ITDA may be kept as a precondition for ease of administration and requested the Government to take a decision to extend the KCR Kit Scheme for the PvTGs of three districts beyond the second child as the Scheme is limited to two live children only.

P.T.O.

5. Government, after careful examination of the proposals of the Commissioner of Tribal Welfare, Telangana, Hyderabad and Commissioner of Health & Family Welfare, Telangana, Hyderabad, hereby extend the KCR Kit Scheme to Particularly Vulnerable Tribal Groups (PvTGs) viz - Chenchu, Kolam (Incl.Mannervarlu), Thoti and Kondareddy beyond the second child in relaxation of guidelines issued in the reference 1st read above.
